Comments From Past Pharmacy Attendees

- "We need to get most or all, of our Buyers to attend NPPA's worthwhile Conference." (By David Billing, MS, R.Ph., Pharmacy Director of DePaul Medical Center in Bridgeton, MO, part of the SSM Healthcare system.)
- "I thoroughly enjoyed the NPPA Conference. The topics and speakers were very helpful and verall presentations were great. I am truly amazed at the amount of knowledge I have received in the past 3 days. The exhibitor displays are a lot of fun as well. Thanks for making this possible and hopefully I will be able to attend next year!"
- "This is my second year attending. As with the year before, I truly enjoyed it. It was very informative and interesting. I hope to return in the following years."
- "I really learned a lot. I will take what I have learned back to my hospital and apply it to my job."
- "I have been a pharmacy buyer for 26 years and never had come to the NPPA Conference before this, but I will never miss it again. The CE program had an excellent variety of issues and topics. There was also great representation by suppliers—I got the chance to meet and talk to lots of them during the exhibitor display times."
- "I feel that every Buyer should have the opportunity to attend this yearly convention hosted by NPPA."
